# Directions for Creating Your Memory Game

Print on paper or cardstock. I recommend cardstock for the best result. If you wish to keep the cards for multiple children, laminating them would help preserve them.

Print off two copies of the cards, double-sided with the colored page. The colored page on the back on the cards will help hide the image underneath when playing. (Plus it looks cute!)

Cut them out and your learners are ready to play!

Enjoy!
