Instructions

This planner file has been created with interactive fields which allow you to type in your information and save. These fields are “on” by default but can be hidden if you do not wish to use them.

These interactive fields work best when you use Adobe Reader (free download from [Adobe.com](https://www.adobe.com)). Other PDF readers will show the designed pages and allow you to print, but the interactive fields may or may not work depending on the support given by those PDF readers.

To hide the fields, choose the Layers setting and click on the eye icon to turn off the interactive layer.

Instructions

The Contents page at the beginning of this document enables you to quickly get to any page. If you would like to return to the Contents page while deep inside the planner, use the Bookmarks panel in Adobe Reader, and click on Contents.

The screenshot shows the Adobe Reader interface. The top toolbar includes icons for file operations, navigation, and zooming. The Bookmarks panel is open on the left, displaying a list of bookmarks. The 'Contents' bookmark is highlighted in blue. A red arrow points to the 'Contents' bookmark icon in the top toolbar, and another red arrow points to the 'Contents' bookmark in the panel. The main content area displays a calendar for August 2023, with the title 'August 2023' and a floral background. The calendar grid shows days of the week and dates from 2 to 28.

TRY AND
BUT DON'T *Sample* TO TRY.

—
JOHN O *Sample* Y ADAMS

He that dwelleth in the secret
place of the most High shall
abide under the shadow of the wings
of the Almighty.

I will say of the LORD, My refuge
and my fortress, my God;
in him will I trust.

Surely he shall deliver thee from
the snare of the fowler, and from
the perilous pestilence.

He shall cover thee with his
feathers, and under his wings
shalt thou trust: his truth shall
be thy shield and buckler.

Psalm 91:1-4 (KJV)
