# Instructions

This planner file has been created with interactive fields which allow you to type in your information and save. These fields are “on” by default but can be hidden if you do not wish to use them.

These interactive fields work best when you use Adobe Reader (free download from [Adobe.com](https://www.adobe.com)). Other PDF readers will show the designed pages and allow you to print, but the interactive fields may or may not work depending on the support given by those PDF readers.

To hide the fields, choose the Layers setting and click on the eye icon to turn off the interactive layer.

# Instructions

The Contents page at the beginning of this document enables you to quickly get to any page. If you would like to return to the Contents page while deep inside the planner, use the Bookmarks panel in Adobe Reader, and click on Contents.

The screenshot shows the Adobe Reader interface. The top toolbar includes icons for Save, Cloud Sync, Print, Email, Search, Previous Page, Next Page, and Zoom (63.8%). The page number is 28 / 170. The Bookmarks panel is open on the left, showing a list of bookmarks. A red circle highlights the Bookmarks icon in the left sidebar, and a red arrow points to the 'Contents' bookmark in the panel. The main content area displays a calendar for August 2026 with a floral header. The calendar grid shows days from Sunday to Friday, with dates 2 through 28. The days 2, 9, 16, and 23 are highlighted in yellow, while the other days are in light blue.

TRY AND  
BUT DON'T TRY TO TRY.

—  
JOHN O'BRYEN ADAMS

He that dwelleth in the secret  
place of the most High shall  
abide under the shadow of the wings  
of the Almighty.

I will say of the LORD, My refuge  
and my fortress, my God;  
in him will I trust.

Surely he shall deliver thee from  
the snare of the fowler, and from  
the perilous pestilence.

He shall cover thee with his  
feathers, and under his wings  
shalt thou trust: his truth shall  
be thy shield and buckler.
